TELUS Spark will close temporarily to fight spread of COVID-19

Effective today at 5:00 PM MST, Friday, March 13th, TELUS Spark Science Centre will be closed to the public, including all public events and programs, to ensure and support the current COVID-19 situation improves.

There are no confirmed cases connected to Spark, however, Spark believes it is important to help slow the spread of COVID-19, (flatten the curve). The health and safety of our employees, visitors, volunteers, families and students are a top priority, and TELUS Spark is closely monitoring regular updates about COVID-19 and following guidelines from the Alberta Health Services (AHS) and the World Health Organization (WHO).

We encourage everybody to follow the guidelines regarding hygiene and social distancing, as per the recommendations of Alberta Health Services, that will help to protect you and those around you. Be kind and supportive to one another during this time.
